The Betfair and FanDuel Prepaid Play+ Program Agreement

These Terms and Conditions were set forth by Sightline and Sutton Bank in April 2019.

This card is issued by Sutton Bank MEMBER FDIC pursuant to a license from Discover® Network. Discover and the Discover Acceptance Mark are service marks used by Sutton Bank under license from Discover Financial Services.

This Betfair and FanDuel Prepaid Play+ Agreement ("Agreement") contains the terms and conditions governing the Betfair and FanDuel Prepaid Play+ Program ("Program"). As used herein, the terms "Sightline", "we," "us," and "our" mean Sightline Payments, LLC and its wholly owned subsidiary Sightline Interactive, LLC. "You" and "your" mean the person who is a U.S. resident and who is issued the Betfair and FanDuel Prepaid Play+ Account ("Account"), which may comprise a virtual Account and a card Account.

1. **This is Your Contract with Us.** Read this Agreement and keep it for your records. By using the Account or by otherwise participating in the Program in any manner, you agree to the terms of this Agreement and agree that you will comply with all applicable laws.
2. **The Account.** The Account is issued by Sutton Bank ("Bank") and is associated with the Discover Network ("Network"). The card is an access device for a separate deposit account established by you at the Bank. There is a limited purpose, virtual Account at the Bank in which the funds you elect to store in the Account are maintained. You have no rights to those funds stored in the virtual Account, make any deposit, withdrawal, or any other transaction with the Account, except to access the funds and perform transactions in accordance with these Terms and Conditions. The card remains the property of Sightline and must be returned upon our request.

The Available Funds which are loaded on the Account ("Available Funds") are an obligation of the Bank and are insured by the Federal Deposit Insurance Corporation. The Bank does not pay any interest on the funds loaded on or contained in the Account. The Account has no minimum balance requirements. The amount of funds shown on the Bank's records as being stored on the Account will determine the balance on the Account, unless you can support a different balance to our satisfaction.

There is no credit line associated with your Account. This means that you must have a sufficient balance of funds loaded on the Account at the time of a transaction to pay for the transaction. If a merchant or an ATM operator attempts to process a transaction on the Account or card for an amount that is greater than the current balance loaded on your Account, the transaction may be declined by the Bank due to insufficient funds. In the event the Bank settles or pays a transaction with your Account when there are insufficient funds stored on the Account to pay for the transaction, this will result in a negative balance on your Account and you agree to pay the Bank the amount of the negative balance. We may recover the negative balance amount from your Account upon your loading of sufficient funds to satisfy that negative balance in one or more deposits to the Account.

3. **Description of Program.** Your Account allows you to deposit funds to or from the Account; make purchases for goods and services everywhere Discover® is accepted; perform ATM withdrawals at ATM devices that accept the card networks for the Account; and access your loaded funds or load your gaming-related winnings to the Account through participating gaming locations and/or gaming websites. The ability to use your funds in a gaming location is a highly unique feature of the Account and as such, is usable only in certain designated gaming locations that participate in the Program. Those locations accepting the Account for gaming purposes are part of a proprietary closed loop network not accessible to all persons. You must use your Account at a

designated Program-accepting gaming location for the Account to work in a gaming context. The gaming features of the Account allow you to segregate and budget your entertainment spend separately from other accounts. You are able to manage your Account through a full service online Website (no additional charge for use) and you may have the option to access and manage your account from compatible smartphone devices (no additional charge for use) as offered. Our Interactive Voice Response (IVR) system allows you to perform many important functions at no additional charge, and, during available hours, you may elect to speak to a live agent, however, additional fees may apply. We reserve the right to record and monitor all live calls for security and training purposes. We reserve the right to modify or cancel the Program at any time with notice to you. If we suspect your Account is being used in a fraudulent manner we may suspend, block or close your Account or reduce access to your Account.

4. **Identity Verification Process.** To help the government fight the funding of terrorism and money laundering activities, Federal law requires Sightline to obtain, verify, and record information that positively identifies each person who opens an Account. When you open an Account with Sightline, we will ask for proof of or otherwise request your name, address, date of birth, Social Security Number and other information that will allow us to identify you. If we have any questions, we may also require you to provide your current driver's license and other identifying documents such as a passport.

If at any time we have reason to believe your Account or card was obtained fraudulently, has been stolen, has been used by an unauthorized person, or has been used illegally, we reserve the right to obtain and verify additional identity information about you and/or re-verify existing identity information within our records and from third party sources.

5. **Registering for the Program.** In order to participate in the Program, you must be a U.S. citizen or legal permanent resident of the United States of at least 21 years of age; and, you must register for an Account with Sightline through a valid Program distributor. You will need to provide certain information about yourself as prompted by the registration form. The information provided may be used to determine your eligibility for the Program and must be accurate. You represent and warrant that: (a) all required registration information you submit is truthful and accurate; and, (b) you will maintain the accuracy of such information and notify Sightline if any of the requested information materially changes. If approved, you will be issued an Account and receive a card after your first funding of the Account or as otherwise determined by Sightline.
6. **Consent for Electronic Disclosures.** In order for you to be issued an Account, you consent to receive all required disclosures in electronic format. Your consent to receive electronic disclosures delivery applies to all of the documents we provide to you electronically in connection with the Account, including periodic statements and notices. You may elect to receive monthly paper statements via mail for an additional fee (specified in the Fees section of these Terms and Conditions) by selecting this option on the Website. Access to electronic disclosures will be provided by way of the Internet. Your statement is available for viewing and printing online on the Website after selecting the paperless statement option on the Website. In order to view these disclosures, you will need a computer or other device that can access the Internet. Your hardware device must run on an appropriate operating system. You should determine the safety and security of any access to the Internet before you use any access system. Additionally, compatible Internet browser software may be required to access our disclosures and statements. If you have any questions about access, please contact Sightline.

Using Your Account

7. **Funds Availability.** Note that the availability of funds loaded to your Account depend on the source of the funds and the type of loaded value. Funds deposited in your Account, or funds transferred from other accounts from any other external bank account(s) are subject to normal Bank rules on funds availability. Funds loaded on to an Account through transfer from credit or

debit cards, eCheck, participating reload networks, and wagering account merchant locations for credit to your Account are available immediately.

8. **Use of Your Card and Account.** Your card may be used to access the funds stored in your Account. You may use your card to perform the following types of transactions (subject to the transaction limits specified in the Description of Program section these Terms and Conditions) to: At an ATM displaying the PULSE® or NYCE® logos you may use your card to make withdrawals of cash up to the amount of funds in your Account not exceeding the daily cash withdrawal limit; or, to obtain Account balance information. Some of these services may not be available at all ATMs or at ATMs outside the United States.

At participating merchant locations displaying the Discover, PULSE, or NYCE logos, you may use your card to purchase goods and services (and to obtain a limited amount of cash) up to the amount of funds in your Account.

If you wish to use your card for a purchase which is greater than the balance of the funds available on your Account, you must advise the merchant to charge only the current loaded balance of prepaid funds available on the Account or less and then you must arrange to pay for the difference, if any, using another payment method. The merchant may require payment for the difference in cash rather than accepting another card, such as a credit or debit card. Some merchants may elect to not accept these "split transactions." If you fail to inform the merchant prior to completing the transaction, your transaction may be declined due to insufficient funds available. **Please note special rules for gas station purchases:** You may use your card to make a purchase at a gas station or gas station/mini-market by going inside the location and making payment directly to the attendant. Your card will not be accepted for payment at the gas pump.

If you use your card at a restaurant, a hotel, a car rental location, or for similar purchases, the anticipated purchase amount may include an additional sum up to 20% which is often added to ensure there are sufficient funds available to cover additional charges, gratuities or incidental damage incurred. Any preauthorization amount will place a "hold" on your available funds until the merchant sends us the final payment amount of your actual purchase. Once the final payment amount is received, the preauthorization amount on hold will be removed. It may take up to seven (7) days (thirty (30) days for hotels and sixty (60) days for car rentals) for the hold to be removed. During the hold period, you will not have access to the preauthorized amount.

If you use your card number without physical presentment of your card (such as for a mail order, telephone, or Internet purchase), the legal effect will be the same as if you used the card itself. For security reasons, we may limit the amount or number of these transactions you can make on your Account through this method. You may not use your card or Account for any illegal transaction. You may use your Account for legal online gambling transactions, race and sports betting transactions, and other forms of legal gambling activities but only in locations and online gaming sites where we have authorized such use and the location is participating with our Program. You are solely responsible for determining whether or not the gaming you are participating in is legal. All gaming related transactions are conducted through a private closed-loop network and are not transmitted through the Network.

Each time you use your card, you authorize us to immediately reduce the value available on your Account by the amount of the transaction or preauthorization. You are not allowed to exceed the available amount on your Account through an individual transaction or a series of transactions. Nevertheless, if a transaction exceeds the balance of the funds available on your Account (creating a 'negative balance') you shall remain fully liable to the Bank for the amount of the transaction and any applicable fees or charges. We also reserve the right to cancel your Account should you create one or more negative balances with your Account.

You do not have the right to stop payment on any purchase or payment transaction originated by use of your Account. You may not make repetitive, preauthorized regular payments from your Account. If you authorize a transaction and then fail to make a purchase of that item as planned, the approval may result in a hold for that amount of funds as stated above.

Where applicable, you may deposit or withdraw funds to and from your Account from legal gaming merchants or legal online and mobile gaming merchants that enable the use of the Program by selecting the appropriate user option(s) made available by the merchant or instructing a merchant representative to facilitate the deposit transaction.

You agree to comply with the authentication methods used by the merchant gaming system, self-serve devices and/or location, such as a password, loyalty system PIN, card PIN or other methods that may be available to validate that you are the rightful account holder to conduct such deposit, withdrawal and purchasing transactions. You agree that by utilizing available authentication methods you are solely responsible for such withdrawal, deposit, and purchase activity. You agree that we may obtain and use your loyalty or wagering account information separately provided to or by a gaming location to facilitate deposit, withdrawal, and purchase transactions on your Account.

- 9. Your Personal Identification Number/Signature on the Account.** To protect the use of your card for certain transactions, including automated teller machine (ATM) transactions, a personal identification number ("PIN") will be required to conduct a transaction with your card. A PIN will be created for your card during the activation process. You may change this PIN at any time by calling 877-220-3988 and selecting "Change PIN" from the menu option or by selecting the "Change PIN" option online at the Website. You should not disclose your PIN to anyone. If the security or confidentiality of your PIN is compromised, you should notify Sightline at once. A PIN may not be necessary to purchase goods or services at merchant locations that accept Discover®; however, you should remember your PIN in case it is requested.

There is a panel on the back of the card for your physical signature. You should sign this panel as soon as you receive your card because it helps to further protect your card from unauthorized use. However, your responsibility for card transactions, as described in these Terms and Conditions, does not depend on whether you sign your card.

- 10. If You Lose the Card or Need a Replacement Card.** You agree to use your best efforts to safeguard the card at all times. You may not lend, allow another to use or authorize anyone else to use your card. If you believe the card has been lost or stolen or you need a replacement card, you should contact Sightline immediately either through email at support@playplusgo.com or phone: 877-220-3988. We will supply you with a new card. Except as may be required by law, Sightline is not liable for any loss or damage relating to lost or stolen cards or the unauthorized use of a card.
- 11. Expiration.** Unless otherwise prohibited by applicable law, your Account expires on the expiration date shown on your card. If funds remain on your Account at expiration, and you have not activated a reissued card Account, you may request a replacement card at no charge, or request a balance refund check by calling the phone number listed on your card. If we send you a balance refund check, it will be for the amount of funds remaining on your card at expiration less any applicable fees, costs and expenses. Expiration or closure of your Account will not cancel any completed transaction or any third party services you used the Account to pay for prior to the expiration or closure of your Account.
- 12. Transaction Limits.** The following load, withdrawal, and purchasing limits will apply for use of your Account:

Please note: If a VIP level is made available within the Program, Account holders may be eligible for VIP status at the sole and absolute discretion of Sightline. Please email support@playplusgo.com to determine the availability and criteria of a VIP program.

13. **Inactivity.** You are subject to an inactivity fee after six (6) months of inactivity (“Inactivity Period”) if a positive balance is available on your account (see Fees section). The balance on the Account may be deemed to constitute unclaimed funds or dormant funds escheatable to the applicable state if, as shown by our records, you have not, within the statutory period, caused any activity or received any payments with regard to the Account, indicated any interest in the Account, corresponded with us concerning the Account, or otherwise indicated an interest in the Account as evidenced by correspondence on file with us, or transacted any business with us.

Any fees charged by third parties will be your responsibility and will be charged to your Account. For transactions where a receipt is unavailable and you elect not to receive text or e-mail advices, you agree to waive your requirement to receive a receipt for these transactions in that manner.

At the time you make an ATM transaction or merchant POS transaction, you will obtain a receipt for the transaction. You may elect to receive text or email messages for transactions where receipts are not available.

16. **Account Closure / Reimbursement / Unclaimed Funds.** To close your Account, spend down the amount on your Account and destroy your card. You may also close your Account at any time by calling the number on the back of your card or emailing support@playplusgo.com. If we are unable to locate you based on the address you provided us during registration, we may be required to deliver your remaining Available Funds, (less any service fees) to the applicable state as unclaimed property. Your Account will automatically close if the Account balance is zero and upon expiration of the Inactivity Period.
